ALLI Hanif	Green Party	1523

MORRIS Kevin Patrick	Labour and Co-Operative Party	1273

GMMV Recommendation

We endorse the Green party candidate, Hanif Ali because:

1. Labour is expected to win but our aim is to substantially reduce Labour’s predicted majority. The Green candidate is currently predicted to come 4th
2. With support of the Muslim electorate, the Green party could become second ahead of Conservative and Reform, which would be a major success for Muslims and would send a strong message to the major parties.
3. In October 2023, the Party issued a call for an immediate ceasefire, for the provision of immediate humanitarian aid, and for or a just political settlement based on the end of occupation of the Palestinian territories.
4. Hanif Ali, in his first local election secured a comprehensive victory, becoming the first Green Councillor in Bolton. So has a good platform on which to build.
5. He has re-posted in support of Palestine on his LinkedIn account.
6. The WPB Muslim candidate, Syeda Kazmi is a councillor in Burnley, so she no existing local voter base and is currently predicting at less than 1% support.
