### GMMV Recommendation

We endorse the Green party candidate, Vicki Attenborough because:

1. Labour is expected to win and with only a small Muslim electorate, we are not able to make a real impact on the outcome, so the choice is based on choosing the candidate that is nearest to the interests of the Muslim voters.
2. In October 2023, the Party issued a call for an immediate ceasefire, for the provision of immediate humanitarian aid, and for a just political settlement based on the end of occupation of the Palestinian territories.
3. Vicki is local and has a history of standing in local elections
