Stockport Fights Austerity No to Cuts

GMMV Recommendation

We endorse the Workers party candidate, Ayesha Khan because:

- Stockport is a Labour stronghold, and the prediction indicates that Labour is almost certain to win with little opposition.
- There's only a small Muslim electorate, and thus we are not able to substantially influence the outcome. So, the strategy is to minimise the Labour majority, whilst supporting a Muslim friendly candidate.
- Ayesha was born and raised in Stockport. She studied law at the University of Manchester and was called to the bar.
- She has worked tirelessly behind the scenes on the legal front for the Gaza cause
- She stands firmly against the genocide in Palestine. She is horrified by the statements of Rishi Sunak and Keir Starmer regarding their stance on Israel.
